Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1926, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Dear Sir:

Re: N. W. 8-1-20-4 & S. W. 8-1-20-4.
Dominion Liens, Sam W. O'Brey.

This party obtained Seed, Fodder and Relief Advances from the Dominion Government in the year 1915 totalling one hundred and ninety-eight dollars and two cents ($198.02) and there is outstanding on this account as at 31st of December, 1945, a sum of four hundred and ninety-five dollars ($495.00).

As security for these advances liens are filed on title to both the above described quarter sections.

Re: N. W. 8-1-20- est 4th Meridian.

This parcel has been taken over by the Municipal District of Lower City under Tax Recovery Proceedings and sold by that district for a sum of seven hundred and seventy dollars ($ 770.00) which is purported to be the fair value of the land and the sale has been approved by the Minister of Municipal Affairs.

In addition to the Dominion charges there were arrears of taxes outstanding at time of sale in a sum of one thousand and ninety-three dollars and ninety-nine cents ($1,093.99), and the municipality has requested an adjustment of the indebtedness under the liens in order that a clear title may be available for the purchaser.

(continued)...

(continued)

I would recommend that the proceeds of sale be distributed on a pro-rata basis between the Dominion account and the taxes which will result in the following distribution:

Dominion Liens	$241.40 ✓
Taxes	528.60
	$770.00

I would further recommend that after application to this account of the sum allotted thereto the liens taken as security therefore be released from title to the N. W. 2-1-20-4.

Re: S. W. 2-1-20-West 4th Meridian.

As previously stated liens to secure this account are also charged against this particular quarter section in addition to a number of other liens given as security for certain Joint Relief charges. This property is still apparently in the name of the original debtor but may pass to the Municipal District in due course and it is not proposed to deal further with this account until some disposition has been made of this land.

The above party obtained the following Joint Relief Advances giving as security liens on the title to the above land.

April 2,1920	
December 18,1919	$161.25
April 27,1920	183.00

Interest March 31,1953	460.05

	1,513.38

The debtor is deceased and the solicitors for the two sons of the debtor have approached this office for a release of the liens tendering the sum of One hundred dollars ($100.00) in satisfaction of this account.

The solicitors advise that the debtor first settled on the above land about the year 1913. He had considerable difficulty in carrying on his farming operations largely due to drought conditions the land being situated in a township which has been eligible for awards under the Prairie Farm Assistance Act in 7 years of the 13 years in which the Act has been operative. The debtor acquired other land but lost same through non-payment of taxes. He finally found it necessary to abandon his farming operations sometime in the 1930's and from that time until the deaths of himself and wife this couple was entirely supported by the two sons.

The land is not of great value in view of its location and the nature of its soil. This parcel represented the only asset of any value in the estate, the gross value the estate being approximately One thousand three hundred and fifty dollars ($1,350.00) and the net value Three hundred dollars ($300.00). The land has now been acquired, rents i one son and in view of the fact that the sons entirely supported their opinion t a number of years, paying the funeral expenses of both parents, it is my recommend the offer now made by the one son should be accepted. I therefore, One hundre the account be so adjusted that upon the application of the sum of llars ($100.00) this liability will be satisfied.

Re: Account of John Obray
N.E. 3-1-20-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain and fodder amounting to $170.00 were advanced to John Obray on the security of the E.½ 3-1-20-W4. Order in Council P.C. #79/1326 dated the 6th of April 1946 authorized that the S.E. 3-1-20-W4 be released as security for the liens upon the payment of $115.46 and the balanced of the indebtedness retained as a charge against the N.E. 3-1-20-W4. The payment of $115.46 was received in 1946 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 170.00	$ 197.12	$ 367.12

In reply to our questionaire of the 17th of September 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"I have your letter of the 17th instant, and in reply would advise that the above described land is held under Cultivation Lease No. 1663 by Mercy A. Jones, of Twin River, Alberta. This lease issued for a term of ten years, and expires on the 31st day of December 1961.

According to the file there is a cultivated area of ... acres. The total acreage is arable, but the balance of the land is used for grazing."

The information obtained indicates that the land is such that it is not likely to be disposed of by sale in the near future and no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

S.E. 10 - 1 - 22 - W. 4th M.

In reply to your communication of the 2nd instant, I am to inform you the presentation of this letter to any Agent of Dominion Lands will serve as his authority for granting you on the usual terms a fresh entry for any land available in lieu of your former homestead above described, your entry for which was cancelled on the 2nd of April, 1914, in default of the performance of the requisite duties, which action carried with it the cancellation of your pre-emption entry for the North West quarter adjoining.

This authority, however, is subject to the condition that you have not since held Dominion Lands under homestead entry, and the same knows of no reason to the contrary.

Please note that if you are indebted to the Department on account of seed grain, you are only permitted to make a fresh entry subject to the transfer of such seed grain indebtedness to the land for which you may enter under the authority of this letter.

N.W.¼ 12-1-22, W.4th M.,
Soldier grant - 16th February, 1920.
(Converted pre-emption).
Vernon W. Hays, (Lieut.)

Application to have patent for this land vested in the Soldier Settlement Board under the Order in Council of the 4th June, 1921 (P.C. No. 1821).

This entrant has obtained advances on the security of the above land from the Soldier Settlement Board:

Amount;- $2,900.00
Purpose;- Permanent improvements, stock and equipment.

He has applied for patents claiming duties as shown on forms No. 58-A hereunder (marked). Apparently his duties have been completed in a satisfactory manner and the applications have been accepted, but in view of the above mentioned loan he was advised that patents for this land could not issue in his name until his indebtedness to the Board was paid in full.

In a memorandum hereunder dated the 25th ultimo the Soldier Settlement Board reports the receipt of an application from the entrant to have patents for this land issued in favour of the Board, and it is pointed out in this memorandum that this would enable the entrant to negotiate a sale of the land. A Vesting Order for the Minister's signature is attached.

It is suggested that the necessary action be taken to have patents for this land issue in the name of the Board.

I beg to advise you that your entry for the above described quarter section has been cancelled in the records of this office. This action has been taken owing to the fact that the quarter section was suited for Soldier Settlement only and your application was accepted in error, as you were not eligible to enter for land under the Soldier Settlement Act.

The application fee paid by you will be refunded on application.

It has now been decided to rest this land for ordinary civilian settlement, and there would appear to be no reason why you should not again apply for homestead entry for this land.

Dear Sirs:

N.W. 4-55-14-W-4th Mer.
Your file:- 1697

I have your letter of the 17th July, relative to your enquiry as to the age and nationality of one Petro Olinyk at the time he filed on the above mentioned land.

In reply, I wish to inform you that this land was patented to one Daniel Burgess. We do not appear to have a record under Petro Olinyk.

Our records indicate that one Jacim Olinyk in his sworn statement dated the 8th May, 1912, in support of his application for patent for the S.E. 12-56-13 W 4th Meridian, he gave his age as 23 years. He was naturalized on the 6th March, 1912, and one Stefan Olijnyk in his sworn statement dated the 2nd June, 1911, in support of his application for patent for the S.W. 18-56-12-W-4th Meridian, he gave his age as 33 years. He was naturalized on the 17th December, 1910.

Yours very truly,

File No. 3-1707.

MEMORANDUM:

OTTAWA - AUG 8 1930

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: Frederick Breen,
N.W.¼ 25-1-22 W.4th (S.S.)

The above-described land is the unpatented soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 8th April, 1920, the settler secured advances from the Board totalling $1701.04, as follows: Stock and equipment, $1101.04; permanent improvements, $600.00. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is a charge on the S.W.¼ 36-1-22 W.4th, the settler's homestead.

The Board is informed that the settler has completed the duties in connection with his soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Commissioner of Dominion Lands to the settler, dated the 26th May, 1930.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1821, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ 36-1-22 W.4th be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his soldier grant.

A Vesting Order for signature is attached hereto.

[illegible]

Dear Sir.

Would you kindly let me know if there is a rule allowing a homesteader to change around from the homestead to pre-emption? If so I would like to change my homestead to pre-emption and pre-emption to homestead. The reason why I would do this is on account of the water. I have dug several wells from 20 to 50 feet deep and cannot get water and on the pre-emption I got lots of water at 14 feet but it is 1/2 mile from the homestead. If I could get changed around I would like to do so.

The homestead is in SE 1/4 of Sec. 18 - Township [illegible] Range 20 and pre-emption

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:

(1) of Canada and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of his Majesty or of any of His Majesty's Allies and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of his Majesty or of any British Dominion or Colony and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows: --

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

By Section one of the Act 15-16 George V, Chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows:--

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

RE: Account of Paul William Boettcher
S.E. ¼ 18 & S.W. ¼ 17-1-20-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 and 1921 seed grain, amounting to $265.80 was advanced to Paul William Boettcher on the security of the above mentioned land. A payment of $110.00 was received in 1928 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$ 229.35	$ 524.14	$753.49

Patent was issued in the name of Paul William Poettcher for the S.W. ¼ 17-1-20-W.4th on the 6th of February, 1926, subject to the 1919 and 1921 liens. The S.E. ¼ 18-1-20-W.4th was formerly the pre-emption entry of the debtor whose entry was cancelled on the 10th of March, 1926, and the land is still unalienated Crown land held in the right of the Province.

These two quarter sections are of low assessed value and have never been revenue producing sufficiently to enable the repayment of the liens.

In 1928 the homestead inspector reported that he considered the S.E. ¼ 18-1-20-W.4th unsuitable for agricultural purposes and recommended that it be used for grazing.

In reply to our questionnaire of the 19th of March, 1952, the Secretary-Treasurer of the Municipal District of Sugar City No. 5, advised that the Municipality had acquired the S.W. ¼ 17-1-20-W.4th for arrears of taxes amounting to $1,001.59.

According to an Abstract of Title dated the 10th of January, 1956, the S.W. ¼ 17-1-20-W.4th now stands in the name of the Municipal District of Sugar City No. 5, subject only to our liens; while the S.E. ¼ 18-1-20-W.4th is shown as unpatented Crown land held in the right of the Province, clear of any encumbrance. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

W.J. Taylor.

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment and the liens discharged.
